NLMAD RESCUES AGAIN!

Pictured below is our latest rescue. She is a shepard mix approximately one year old . Those alluring eyes spoke to our founder, Karen Brown "Just give me a chance to show you what I can do" A trial period in the get acquainted room at the Wilkes Co. Animal revealed a very smart, ambitious dog that likes to retrieve! NLMAD has decided to name her Berlin because of her German Shepard ancestry.

Jaci Sweet-Tomcho & Jasmine Team # 60

Jaci has been waiting for Jasmine ever since her beloved Jetta passed away a few years ago. Jetta was Jaci's first service dog from NLMAD. Jasmine was donated by Michelle Privette and her husband from South Carolina. Jasmine was pick of the litter! For a short time, Jasmine got to spend some of her puppyhood with the Taylors, who successfully have puppy trained 5 puppies for New Life. Jasmine was the first german shepard they worked with. They could not get over how different her personality was from the goldens they had raised.

Jaci wanted her new dog's personality be totally different from Jetta's. This is exactly what she got with Jasmine, who is a very laid back dog.

Jasmine loves to walk slow and is very good at bracing when Jaci's balance becomes unsteady. Jasmine never liked the heat of NC, so she will be very happy in Spanaway, Washington. We enjoyed our time with Jaci once again. She kept clamoring for Waffle House's Scattered, Smothered & Covered hash browns. When she lived in the Winston area, that was one of her favorite haunts. We made sure she and Jasmine got to Waffle House!

From all reports, Jasmine did very well on the long plane flight home to Washington State. Jaci has a 3 year old son who became immediately smitten with Jasmine. Jasmine is adjusting happily with her new family which includes Jaci's husband Paul and a german Shepard named Max. Happy Trails & Wagging Tails to this wonderful new team!
